

# Enough for Everyone

The majority of the world's population lives in poverty. According to the United Nations Development Program, over 19,000 children in Africa (and over 30,000 people worldwide) die each day due to poverty and causes related to international debt.

We are called by God in Christ to bring good news and to proclaim release to those held captive by human structures and injustices. Living as global disciples means evaluating our lifestyle choices both as individuals and as congregations. Adopting changes for congregational lifestyle integrity witnesses to our commitments to mission and justice for God's people and God's creation.

Enough For Everyone is about partnership:

- partnership among Presbyterians in the United States with sisters and brothers in other countries
- partnership among national programs of the PC(USA)
- partnership among the PC(USA) and other organizations
- partnership in local churches among various committees and calls to mission.

At the heart of Enough For Everyone is deep concern for global economic justice and a commitment to live out our faith in Jesus Christ with integrity.

The four projects of Enough For Everyone seek to address fair trade, sweatshops, debt and credit, and energy efficiency. These projects are tools by which congregations can respond to global economic realities from the perspective of Christian faith. Many already are responding in a variety of creative ways. ## What Your Church Can Do

### **Adopt at least one Enough For Everyone project in your congregation.**

A mission committee, property committee, Christian Education committee, peace and justice committee, women's group or youth group can sponsor these projects. At its heart, Enough For Everyone is a partnership, so be creative with the table of folks you pull together!

### **Educate members about the issues**

Through Sunday School, Bible Study, speakers and special events.

### **Promote Enough For Everyone**

to congregations, camps and conference centers, and colleges and universities within your presbytery's bounds

**Presbyterian Coffee Project** offers a new way to help people in need while enjoying fellowship and a good cup of coffee. As Christians we can address a consumer dilemma by buying coffee that is fairly traded. Presbyterian congregations that participate are helping farmers in Latin America, Africa & Asia. **Pamphlet PDS# 74365-04-316** or log onto:

**Global Marketplace** Make the Global Marketplace partners your primary sources for gifts and products. Whether you are buying for yourself or for others, your purchases benefit not only the people who use and enjoy the items, but, perhaps most importantly, the people around the world who make them — and who often rely on our support to live their lives in dignity rather than poverty. **Pamphlet In development** available later this year –
